TALENT ACQUISITION SPECIALIST

The talent to move you forward

Qualified people when you need them most. That's what you expect from a recruiting firm, and that's exactly what the team at The McSweeney Group and its search partners have delivered to companies throughout North America and Europe for more than 30 years.

Acquiring the best people is always the goal of a forward-looking company. You have to be better, faster and more nimble than your competition to hire the real leaders that will drive your business forward. Our job is to consistently add that key talent, the difference-makers, the players with impact.

Experienced, innovative and cost effective, our process allows us to find the candidates you need to ensure the right fit at the right time. Our methodology and industry connections allow for maximum flexibility when sourcing candidates, giving us access to a very wide range of high-quality candidates.
